Avène, October 30th, 2020

Dear Sir, Dear Madam, Dear Patient,

Following the latest information from the French authorities requesting the closure for all public establishments in France and officialised by a decree for closure of all hydrotherapy establishments as of **Thursday October 29th midnight**, Avène center is ending the 2020 season as of Friday October 30th.

Therefore, we regret to inform you that our Center will only reopen for the next season, starting Monday 29th March 2021.

We would like to express our sincere gratitude to all those who have placed their trust in us in 2020 for their stay, despite these exceptional circumstances. We have taken up the health challenge of maintaining the 2020 season, unfortunately too short, and we would like to take this opportunity to thank you all for your involvement during these restrictive measures.

If you had planned to carry out your treatment in Avène center, we invite you to contact the reception either by phone (+33 (0)4 67 23 41 87) or by email (contact.avenecenter@pierre-fabre.com) for further information on your treatment booking and reimbursement of your deposit.

We look forward to seeing you again soon, and all of our team wishes a serene and peaceful end of the year.

Best regards,

Marie-Ange MARTINCIC
