TARIFFS

The tariffs applicable in accordance with the appendix to these terms and conditions of sale are those in force on the day the booking is made. Our prices are in euros, include VAT, and are valid only for the period indicated on the Website and on the booking confirmation.

The tariffs take into account the VAT applicable on the day of booking and any change in the rate of VAT will be automatically reflected in the tariff shown. The VAT actually paid by the Customer will be the VAT on the date of receipt of the invoice. Any changes or introduction of new legal or regulatory taxes imposed by the competent authorities will be automatically reflected in the price as shown on the date of the invoice.

TA reserves the right to change their tariffs at any time, and guarantees Customers that the price in force on the day of booking will be applied.

Tariffs may be consulted and downloaded from the Website and are included in TA's brochures.

Insurance approved Treatment:

On the day of arrival for the Treatment, the Customer will provide TA with the original of the agreement to cover the cost of the thermal treatment package, commonly referred to as "Volet 2".

Personally funded treatment (6, 12, 18 days) or "Sensicare" package:

A quote is prepared following the consultation.

On the day of arrival for the Treatment, Customers will pay TA the

balance of the package booked, and if applicable any additional services prescribed, the amount of which is shown on the quote submitted in duplicate to the Customer by TA.

TA retains a copy of the quote once signed by the Customer.

At end of the stay the Customer (insurance approved Treatment with payment, personally funded Treatment 6, 12, 18 days or "Sensicare" Treatment) will go to the TA reception desk to close his or her file: the final invoice is adjusted in the presence of the Customer at the earliest on the penultimate day and no later than the last day of Treatment. PAYMENT CONDITIONS AND METHODS

The Customer provides bank details, bank card or credit card (Visa, Eurocard / Mastercard), indicating directly in the area provided for this purpose (secured by SSL encryption) the card number with no spaces between the numbers, its expiry date and the security code in order to make a prepayment via Mercanet.

TA chose Mercanet to secure online payments by bank card. The validity of the customer's payment card is verified by Mercanet. The payment card may be refused for several reasons: the card may be stolen or blocked, the ceiling has been reached, there is an entry error, etc. If there is a problem, the Customer must approach both their bank and the TA to confirm the booking and method of payment.

Part payment is debited at the time of booking (online prepayment). This prepayment is considered to be a deposit. The deposit is deducted from the final bill.

The balance of the cost of the Treatment will be paid in accordance with the appendix hereto. The Customer has the option of choosing from the following means of payment offering optimal security:

In cash (up to the statutory maximum amounts for the payment of the balance of the cost of the Treatment).

By credit card (Visa, Eurocard / Mastercard).

By bank or post office cheque. The cheque will be cashed at the time of receipt. Only French cheques will be accepted.

The various additional services and taxes must be paid before the end of the Customer's stay.

If the Customer does not pay the balance of the Treatment before departure, the establishment reserves the right to directly collect the money owed from the credit card, the details of which have been given either at the time of the payment of the deposit or on arrival, and the Customer expressly accepts this. Should this be the case late payment penalties will be due from the day following the due date of the invoice at the rate of 15% per year and will be applied to the total amount shown on the invoice including taxes. In addition, a fixed penalty of 15% of the amount due shall be payable in case of collection through legal channels.

INTERRUPTION

Approved Treatment: should the Treatment be entirely interrupted, the Customer or the representative of the Customer shall immediately contact TA to agree on the method of closing the file.

Proof of interruption (medical certificate, appointment, civil status certificate) is **obligatory** in order to allow TA to process the file as usual with the application of the third-party payment system in respect of the Treatment package.

In the absence of documentary proof, the Customer shall directly pay TA the full amount shown on the Treatment invoice.

SUSPENSION

Should the Treatment be suspended (temporary halt of the Treatment), the Customer or the Customer's representative shall immediately contact TA to agree on the terms for processing the file.

Proof of interruption (medical certificate, agreement, civil status certificate) is **obligatory** in order to allow TA to process insurance approved and reimbursed Treatments, including the application of the third-party payment system, in respect of the Treatment package. In the absence of documentary proof, the Customer shall directly pay TA the full amount shown on the Treatment invoice.

Personally funded Treatment (6, 12, 18 days) or "Sensicare" Treatment in case of total or temporary interruption for medical reasons. Should the Customer provide TA with a medical certificate, the cost of the unused Treatment will be reimbursed pro rata.

The insurance approved Treatment, the personally funded Treatment (6, 12, 18 days) or the "Sensicare" Treatment may only be resumed on medical advice and after providing TA with a medical certificate.

CANCELLATION

The Customer may cancel the booking within two (2) weeks of the date of arrival, by letter to the TA at the following address: Les THERMES D'AVÈNE – 34260 AVÈNE – France or by email to contact.avenecenter@pierre-fabre.com. This cancellation will result in the deposit being refunded within a period of one (1) month from receipt of the cancellation request sent by the Customer to TA, either by crediting the Customer's bank account or by cheque.

The Customer may also cancel the booking by phone within a period of two (2) weeks of the anticipated date of arrival. However, the cancellation must then be confirmed in accordance with the above conditions by post or email.

A booking cancelled within less than two (2) weeks of the date of arrival at the Customer's request solely for professional or medical reasons with supporting documentation will result in the refund of the deposit within one (1) month of TA receiving the cancellation request and the documentary proof from the Customer.

In the absence of documentary being proof sent by the Customer, TA will retain the deposit.

Should the Customer not make use of certain treatments prescribed as part of the Treatment for any reason whatsoever, in particular including in the case of no show or late arrival at the place of the appointment, the Customer will continue to be liable for all the amounts due under the original booking. The Customer must therefore pay the balance before leaving TA.

This does not apply to the thermal treatment package provided as part of an 18 days insurance approved Treatment. In this special case only, should the Treatment be interrupted, on the signature of a hydrotherapy doctor, the cost of the thermal package due will be invoiced on a pro rata basis.

MODIFICATION

Any changes made to the booking by the Customer can only be taken into account by TA within the limits of its possibilities and provided TA is notified either by letter sent to the following address: Les THERMES D'AVÈNE – 34 260 AVÈNE - France or by email to: contact.avenecenter@pierre-fabre.com or by telephone in accordance with the above description, within at least eight (8) days prior to the anticipated date of arrival.

Any changes made by phone must be confirmed in accordance with the above conditions by post or email.

Wherever possible, TA will attempt to meet the Customer's request. No changes can be considered if the request is received less than eight (8) days prior to the date of arrival.

Should the proposed change be refused, and should the Customer be unable to fulfil the original terms of the booking, the Customer will be considered to have cancelled.

FORCE

MAJEURE

TA cannot be held liable for the total or partial non-performance of its obligations in the event that the non-performance is due to an event having the characteristics of force majeure as defined in article 1218 of the French Civil Code and/or usually recognised by the Jurisprudence of the French Courts and Tribunals.

By force majeure, we mean any event that was unforeseeable at the time of the conclusion of the Contract and irresistible during its execution.

MEDICAL CONSULTATION

As part of the Treatment, a medical visit to a hydrotherapy doctor is required (TA's medical offices) before the start of the Treatment. The appointment for this medical consultation is made, before booking the Treatment, by the Customer who directly contacts the medical practitioner of his or her choice.

The list of TA medical offices can be found in the TA's brochure, and is also available on the website. The Customer informs the TA at the time of booking of the name of the hydrotherapy doctor chosen and the date and time of the appointment for the medical consultation.

For the insurance approved Treatment and the personally funded Treatment of 6, 12 or 18 days, medical fees are paid directly to the hydrotherapy doctor at the medical practice.

For the "Sensicure" Treatment, the fees are included in the package, and are paid to TA in totality.

THE TREATMENT

The Customer having the Treatment agrees to attend all daily sessions scheduled following the medical consultation.

TA reserves the right, in consultation with the hydrotherapy doctor, upon arrival of the Customer or during the stay, to make changes to the prescribed treatment in accordance with the availability of the technical facilities at the time of the Treatment.

Insurance approved and reimbursed Treatments:

Should the Customer not be present for the treatments included in his or her hydrotherapy package, he or she risks forfeiting the reimbursement of the Treatment by the health insurance and in this case will pay TA the entire cost of the hydrotherapy package in proportion to the duration of the treatments concluded. Personally funded Treatments 6, 12, 18 days or the "Sensicure" package: The Customer may not claim any compensation should he or she fail to complete the planned treatment package.
