

STATION THERMALE

Avène

soothing by nature

SensiCure

All the benefits of Avène
Thermal Spring Water in a
dermo-cosmetic program
dedicated to sensitive skin

BENEFITS OF AVÈNE THERMAL SPRING WATER

SensiCure

As all skins deserve to be soothed, protected and softened, so Avène center medical team has designed the SensiCure, to offer all sensitive skins the expertise of the dermatological thermalism at the Avène Center. Resource yourself in a preserved natural environment, an ideal privileged setting for well-being and relaxation.

A customised program

On arrival, personalised care and welcome by a hydro-aesthetician.

Approved by a doctor during the dermatological consultation, your programme consists of **5 daily treatments** and include your skin cosmetological diagnosis and a session for "Hands beauty" or "Feet beauty".
